There are 2 fiber providers (RG FIBER and KFN) that have built throughout Wellsville with CERG funding (see attached KML maps). We (RG FIBER) plan to build throughout this community in the next 12 months with private funding. In fact, we have already initiated marketing campaigns and have an anticipated 29% take-rate based on pre-registrations in the Wellsville market. We anticipate serving Wellsville customers in the next six weeks. We are happy to provide additional supporting data to demonstrate our marketing efforts upon request.

Please provide supporting documents relative to your comments. Please submit multiple files as a ZIP file.
