Please provide your response to the public comments received in the text box below.

**This response is for Al Lubuck with Century Link. I just attended a Parker City Council meeting 3/10/22 and was informed that they have new customer moving into Parker that Century Link will not serve because plant is maxed out. They have also been told Century Link has no intention of upgrading their network in the area. We have customers calling daily requesting service, but what they have is so poor. We are looking at this are out of moral obligation to our kids in out consolidated school district.**

Please provide supporting documents relative to your comments. Please submit multiple files as a ZIP file.
