Midco – Rural Tonganoxie Basehor – Response to 0121 Challenge

Midco received 1 public challenge (and 5 support comments) on its Rural Tonganoxie Basehor application area. In the challenge, the resident states that they are already served. The resident is correct that Midco serves their address (18500 206th Street, Tonganoxie) but this address was not included in Midco's proposed project area (see screenshot below).

Midco's proposed project area begins just east of where this customer receives service.
