I am providing response comments related to the following application (choose one):	<b>Brightspeed_Miami_Osawatomie</b>
I am responding to the concern that this project:	<b>Proposes service to an area in which construction is already underway</b>
Please describe:	<b>KwiKom's challenge is that they have an ongoing build in Miami Osawatomie</b>

Please provide your response to the public comments received in the text box below:	<b>KwiKom’s challenge to Brightspeed Miami Osawatomie regards an ongoing build that has begun construction. Without concrete evidence (e.g., timeline demonstrating progress already made, combined with detailed milestones for completion within 12 months and signed attestations from the provider committing them to this timeline), KwiKom has failed to satisfy the burden of proof laid upon them. In contrast, we have provided evidence of our contracts in place and additional preparations underway in our application to prove our timeline fits the state’s requirement.</b>
Please provide supporting documents relative to your comments. Please submit multiple files as a ZIP file.	n/a
