Please provide your comments in the text box below:

My company closed doors when covid started. We are all virtual employees and I have struggled daily with internet that meets the needs of my job. Ultimately, if there is not a solution we could be forced to move which would mean a new school for my kids. Our part of the county is overlooked, yet my taxes still went up 18% last year. Bring something positive to this area.

Upload supporting documentation - multiple files should be submitted as a .ZIP file.
