Original Submission	09/09/2022
----------------------------	------------

Please provide name:	Donna Van Allen
Please provide your address:	112 S. Lee Avenue Clearwater KS 67026 US
Please provide your phone number:	+16205848351
Please provide your email contact:	donna.vanallen@sktcompanies.com
Are you responding on behalf of an organization?	Yes
Please provide the name of the organization and address for which you are submitting comments:	SKT, 112 S. Lee Avenue, Clearwater, Kansas 67026
Which of the following best describes you? (Check all that apply)	Internet provider in proposed service area

I am providing comments related to the following application (comments must be filed individually for each project):

AMGTechnology_Kansas_Project_South_1

I am submitting comments to express:

Concerns regarding a project

I am sharing concerns about the project:

**Proposes to serve an area that already has service
Proposes service to an area in which construction is already underway
Proposes to serve an area likely to be served without grant funds because plans are in place to serve this area, although construction has not yet begun**

Please provide your comments in the text box below:

SKT is submitting information to show that it provides broadband service in areas targeted by the “AMG Technology Kansas Project South 1” Capital Project Fund Grant application.

In the Public Project Proposal, AMG Technology indicates that it would serve rural areas of Sedgwick County.

SKT currently provides 1 Gbps symmetrical fiber service within several of the proposed areas and is actively upgrading existing fiber facilities or constructing new fiber facilities in the remaining areas. All SKT service areas within the AMG Technology proposal will be 2 Gbps symmetrical capable before the end of 2022.

SKT is best suited to upgrade the remaining areas within the AMG Technology application and the areas defined in the SKT Capital Project Fund application, as it has fiber facilities within close proximity. Having fiber facilities nearby makes an SKT upgrade the most cost-effective option, while also reaching many more underserved homes and businesses in great need.

SKT is proud of the long-term partnerships formed with many state, county, and local leaders, allowing us to work together to support rural Kansans. These partnerships include leaders who provided the KOBID with letters of support for the SKT Capital Project Fund Grant application, and which were included with our submission.

SKT offers competitive rates and partners with federal and state government to provide the Affordable Connectivity Program, Lifeline, and Kansas Emergency Rental Assistance benefits, to help foster digital inclusion in the state of Kansas.

Upload supporting documentation - multiple files should be submitted as a .ZIP file.
