I am providing comments related to the following application (comments must be filed individually for each project):	Cox Communications_Wabaunsee G3

I am submitting
comments to
express:

Support for a project

Please provide your
comments in the text
box below:

It's important for me to have a reliable internet connection, as I often have to communicate with my physicians via computer. I'm also on a fixed income. To earn extra money, I have to be contacted by internet to sell my crafts. I also use my computer to take classes in my chosen craft to continue to improve my product. I use the internet several hours a day. Not to mention being an elected official, access to my email is extremely important.
