Please provide your  
comments in the text  
box below:

**We are residents at Lake Wabaunsee, KS. We are currently served by Mercury Wireless and Century Link but both internet services are slow and unreliable. On the best of days, Mercury Wireless can provide us with 23 mps download speed. If we had fiber internet, we could work from home which is not now possible. The lack of reliable and fast internet service is hindering the growth of our community.**
