I am so excited to see Seward County and the City of Liberal will be able to continue with the expansion of the Epic Touch fiber to our many homes and business in our community, If we get the next grant. Liberal has had to work with what we have had available, which hasn't been the best internet service. Epic Touch has made great strides to work with our community to provide great technology and and provide the kind of service we can depend on. I do not have any files to attach to this comment.

Upload supporting documentation - multiple files should be submitted as a .ZIP file.
