Please provide your comments in the text box below:

Our school district has worked with Ideatek since 2013. IdeaTek has gained trust within rural communities and is working to provide much needed internet speed and affordability for small businesses, residents, and schools. They understand the challenges we face to provide these fiber services and have reached out many times to assist us. I wholeheartedly support Ideatek and their efforts expand broadband services to southcentral Kansas.

Upload supporting documentation - multiple files should be submitted as a .ZIP file.
