**Vantage Point Solutions is a Professional Engineering firm that performs the design, project management, and implementation of Fiber to the Premises (FTTP) broadband networks across the United States. We have been performing detailed engineering services for the PGB Fiber, LLC FTTP deployment in Garden City for the past several years. Based on this extensive knowledge of their deployment, we support PGB Fiber's public comment submission regarding portions of Ideatek's "Route 83 Corridor" project proposal for the Kansas Broadband Capital Projects Fund grant and recommend that their comments be evaluated.**
