**As a resident in Cherryvale, high speed internet is not good. Just yesterday I was trying to download just around 5gb of data, and i was only getting 12.5mbps. We have Cox and i am paying for 500mbps and we are not getting what we are paying for. High speed internet is a must in Cherryvale so we can perform essential daily tasks such as paying bills, ordering goods and services, and making sure our children have the ability to learn school online!**
