**Support for a project**

Please provide your comments in the text box below:

**I am in full support of enhancing Broadband services in Montgomery County and the City of Independence. The current provider in Independence does not consistently provide residents with the speed and reliability we are paying for. I've attached several screenshots which support that statement. Residents in rural Montgomery County are also in desperate need of enhanced services. Many of those households do not even have access to broadband**

Upload supporting documentation - multiple files should be submitted as a .ZIP file.
