KOBD -

My name is Ken Arnold. My address is 24510 Columbia Road, Paola, Kansas (Miami County). The Applicant for my area, per the website, is called "Mokan Dial Hillsdale-West Bucyrus."

I live in a very underserved portion of Miami County, KS with no access to the minimum acceptable broadband speed: 100 Mbps down / 20 Mbps up.

My maximum available wired Internet speed is 25 Mbps down / 10 Mbps up, which is using Mokan Dial.

My family and I need a much improved Internet service and we cannot find an adequate one. I work from home and my children have remote schooling (college). I have a hard time using Zoom, Microsoft Teams, WebEx, Google Meet, plus other services for the videoconferencing my company requires.

I have been looking for different Internet services for the past 7 years that we have lived here. Our neighbors are in the same boat as we are. Nobody in our area on wired or even wireless has anything close to 100/20.

(I would like this to be marked proprietary/private, please.)

**Thank you for your time and consideration!
Ken Arnold**
