

## Dennis Hardin

Dennis Hardin (mandolin and guitar) is a fixture in the Kansas acoustic music world. Playing with an astounding number of bands in the area, he can be seen with MHM, Wayne Gottsteine, Pop and the Boys, The Haymakers, and many others.

During his incredible tenure, he's collected a variety of songs and a trunkful of instruments on which to perform them. At home on the mandolin, guitar, or vocals he is a legendary asset to any band.

Dennis is also an adept soundman and recording engineer. A treasure for any band!
