

## *Miki P and The Swallowtails*

Miki P and The Swallowtails are an indie acoustic pop/folk group from Kansas City, MO, performing original songs written by Miki P.

The Swallowtails are artists committed to creating music that combines a range of emotions drawing from their individual forces of nature. Formed in Kansas City, MO, the trio of musicians performs a mix of rock/pop inspired by the likes of the Punch Brothers, Alanis Morissette, the Lumineers, Fleetwood Mac and more.

Coming from an array of unique musical backgrounds such as rock, classical and jazz, have had listener's describe their sound as "a warm hug" and an "experience where worlds collide." Members of the band include Miki P on Guitar/Vocals, Rachel Lovelace on Bassoon/Vocals, Adee Dancy on Cello/Vocals.
