

## **2023 Paint the County Incentive Program**

### **PURPOSE:**

The goal of the Wallace County Community Development Paint The County Incentive is to upgrade curb appeal of residential properties in Wallace County. The incentive is offered to residential property owners who wish to paint the exterior of a home or housing unit(s).

### **AWARD AMOUNT:**

Awards up to \$500 may be awarded per eligible residential property. These funds act as reimbursement to offset any accrued project expenses such as paint, painting supplies, equipment rental, etc. Painting preparations, labor, and/or volunteer assistance is coordinated by the applicant. Award funds will be reimbursements, meaning award funds will not be provided until after the awarded project is completed and receipts are turned in with a final report. No match is required for this incentive.

### **FUNDING AVAILABLE:**

Applications may be made up to \$500, with no match required. An individual may receive only one award per location from the 2023 funding pool. Individuals may submit multiple applications if multiple properties are owned. The total amount available for the 2023 Paint The County Incentive is \$5,000.

### **LABOR:**

The labor used to paint your property is the choice of the applicant.
