KS Statewide Housing Needs Assessment 2021

The Study Identified Various Housing Goals:

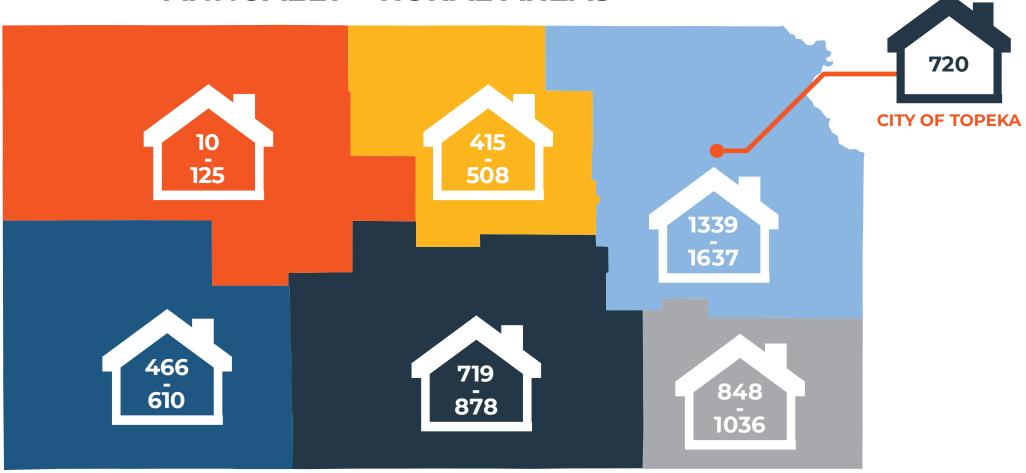

- Add or free up more middle-income housing
- Diversify the state's housing stock to match local demographic and employee needs
- Extend housing security
- Increase reinvestment in older housing stock, including vacant units
- Address the building trades labor shortage
- Extend existing human capital resources

Review the Assessment Here:

- <u>Executive Summary</u>
- Regional Assessment
- Goals and Strategies

3,797 – 4,794 HOMES NEEDED ANNUALLY – RURAL AREAS
