

PROJECT BRIEF

Project Name: City of Moundridge/Grow Moundridge Project

Grant Program: BASE 1.0

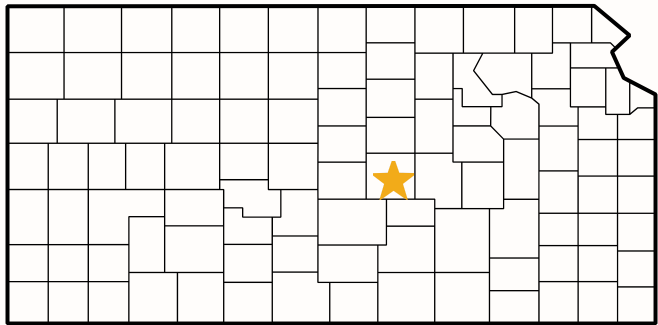

Project Date: June 2022 - December 2024

Project Summary

Over the past decade, the City of Moundridge has experienced major growth with the expansion of manufacturing facilities, the addition of hundreds of housing units, and new businesses downtown. The Grow Moundridge Project expanded and updated the utility lines to meet energy demands of new residents and employers. The project allows manufacturing activities to increase without interruption from outages.

Location

Moundridge, Kansas

Goals and Objectives

Goal: Improve infrastructure and utility connections for two major manufacturing employers and future housing developments in the City of Moundridge.

Goal: Place Tortilla King and The Bradbury Company on their own circuit, allowing for optimization of production without interruption of utility services to residents and other businesses.

Objective: Install 6,000 - 7,000 feet of new 4 inch gas line to Tortilla King to optimize business operations, supporting new production lines and a 70,000 square foot warehouse facility.

Objective: Extend electrical service line to reach the Bradbury Company, providing additional support at current industrial operations and future manufacturing facility developments.
