Kansas Office of Broadband Development | Kansas Commerce

March 18, 2026

Why is the Process Changing?

- The Kansas Department of Commerce is transitioning all grant programs from Submittable's online platform to the KDC Grant Portal. This includes submission of:
 - ✓ Applications
 - ✓ Post-Award Reporting
 - ✓ Closeout Reporting

- Benefits:
 - ✓ Consistency: applicants/awardees know what to expect across all Commerce grant programs
 - ✓ Efficiency: ability to link reporting and reimbursement payments directly to awarded applications
 - ✓ Transparency: ability to automatically transfer data directly to KDC's public transparency database
