

The Kansas Review & Compliance submission system has been developed as a tool to aid our customers in the submission of projects that require review pursuant to specific provisions of state and federal preservation law. The system allows individuals to submit new projects to the Kansas SHPO and to monitor the review status of existing projects they have previously submitted. To further expedite consultation, all comments by SHPO will be issued electronically. Please contact the Kansas State Historic Preservation Office of the Kansas Historical Society with any questions at 785-272-8681 x240 or [shpo@kshs.org](mailto:shpo@kshs.org).
