

IDEAS FOR BUILDING COMMUNITY

NEED SOME INSPIRATION?

Here are a few creative, small ways that can enhance your community!

Façade improvements on valuable buildings

- Planters and plants
- Signage
- Paint improvements

Creatively light up your community with **string lights** or **lanterns**

Place **spotlights on community buildings** such as libraries, city halls, and theaters

Banners, murals, or signs that feature history or foster community pride

Conduct a cleanup of a problem area

Create a community sign initiative speaking to the community's history and creating your community's own personalized branding

Create a **"little free library"** and double it as signage, letting people know where they're at in your community

Beautify an area with plantings of **trees, flowers, or vegetable gardens**

Create an **opportunity prompt** in a public space

- "Before the end of the year, I want to..."

Commission local artists to decorate trash receptacles or paint a mural

Transform an underutilized space by activating it with creative displays

Turn a regular day into a **community celebration**. It can be as simple as donuts in the town square.
